Hotel Le Méridien Bora Bora – Works at the Interior Lagoon

Please be informed that Hotel Le Méridien Bora Bora 4* is presently undertaking works on a part of its interior lagoon in order to create a magnificent coral garden.

The present works, scheduled until Friday 20 January, from 10h00 à 17h00, consist in removing sand from part of this lagoon with a digger. In the work area, noise is recorded. Le Méridien Bora Bora resort complex is however quite vast, allowing it to offer several other beaches and swimming areas within the property.

Rest assured that the management of the hotel is attentive to our mutual guests, and does its utmost to ensure their stay goes in the best conditions during this period.
