Hotels Sofitel – 2015 Rates of Dinners & Exclusive Services increased

Hotels SOFITEL have greatly improved their dinner offers and romantic attentions **applicable on all new reservations registered from 15 February 2015 onwards.**

At the Sofitel Moorea Ia Ora Beach Resort 4*, the talented chef Dominique Blais has transformed the Pure restaurant menu, with his "Interactive Cuisine". The concept: the team is cooking directly in front of the customer and prepares each meal following the customer orders and preferences. In addition, a 5-course "Inspiration menu" is available following the Chef mood of the day. The gastronomic K restaurant will continue to amaze the finest of palates: gourmets will marvel at the culinary journey enjoyed through a tasty and delicious 7-course meal.

At the Sofitel Bora Bora Private Island 4 *, don't miss the Romantic Soirée on the Beach available on Mondays, Wednesdays and Fridays with Sunset Champagne, gourmet 3-course dinner (excluding drinks) and Polynesian dance show.

These service improvements result in higher rates of around 13% to 39% depending on the hotel and apply to stays between 1 April 2015 and 31 March 2016.

Hotel Le Méridien Bora Bora – Works at the Interior Lagoon – Latest

The works at the interior lagoon of Hotel Le Méridien Bora Bora 4* have progressed. The “heavy” parts are now over. However, the layout of the lagoon is still ongoing, for the next 2 to 3 weeks.

Again, the management of the resort wishes to reassure that our mutual guests will be well looked after during their stay.

Hotel InterContinental Tahiti – Renovation of the Lobby – Latest News

Hotel InterContinental Tahiti 4* informs that the renovation works of the lobby have well progressed. Are currently underway just a few finishing works that should be fully completed by the end of the month.
