Scuba Diving - Changes to note

Divers 75 years of age and older are accepted for a maximum of 2 dives per day, provided they have a medical certificate allowing the practice of diving from within 1 year & that they hold a DAN diving insurance.

At Topdive Fakarava South center, due to the large distance between the diving areas and Pension Raimiti, in addition to the minimum of 2 dives imposed per day per diver, an additional round-trip transfer fee will be billed to Single divers staying at Raimiti.

Tikehau Plongée center, initially located within Pension Hotu, has recently moved to the village. It does pick ups at all the pensions in the village.

In Huahine, the excursion POE Lagoon Boat Tour with Motu Picnic - Full Day now requires a minimum of 4 participants on the day of the tour to ensure the service (versus 2 previously).

Reminder - the Minimum Capacity listed in gray on our documents indicates the number of participants required on the day of the tour and not the minimum of participants required per reservation request.
