Aranui Cruises – New delay for the cargo boat Aranui 5

We have just heard that the new cargo boat Aranui 5 will not be in service for the departure of November 21st, 2015. Currently blocked in Asia for administrative reasons, Aranui Cruises can not give us a new delivery date of its ship. The cruise n°16 starting November 21 will thus be ensured by the Aranui 3, on the following conditions:

- Either travel on the Aranui 3 with a special discount of 30% on the cruise fare
- Or Free cancellation and postponement of their trip with a guaranteed 30% discount on their next cruise but no certainty to navigate on the Aranui 5.

The company will regularly inform us about the situation regarding the next departures. The conditions of cancellation, modification and the compensations mentioned above by Aranui Cruises are valid until the full service of Aranui 5.

The affected bookings are currently being processed; our booking agents will be in touch with you if applicable.

Remaining at your service for any complementary information.

With kind regards,
