THE NEWS

The new Freighter Aranui 5 has arrived in Polynesia!

On Monday morning (Nov. 9), the docks of Papeete were full of excitement, (and so were we!) with the long-awaited arrival of the Aranui 5, the new freighter from the Aranui Cruises shipping company. With a more modern silhouette, this steel giant measuring 126 meters long and 22 meters wide, will sail regularly in our Polynesian waters starting December 12, 2015, departure date of the maiden cruise for the of the special Marquesas Islands Festival. The Aranui 3, which was in service since 2003, will thus retire after 12 years of loyal service.

We look forward to visiting the new vessel and sharing our impressions with you...
